

§ 54.413

§ 54.413 Reimbursement for revenue forgone in offering a Link Up program.

(a) Eligible telecommunications carriers may receive universal service support reimbursement for the revenue they forgo in reducing their customary charge for commencing telecommunications service and for providing a deferred schedule for payment of the charges assessed for commencing service for which the consumer does not pay interest, in conformity with § 54.411.

(b) In order to receive universal service support reimbursement for providing Link Up, eligible telecommunications carriers must keep accurate records of the revenues they forgo in reducing their customary charge for commencing telecommunications service and for providing a deferred schedule for payment of the charges assessed for commencing service for which the consumer does not pay interest, in conformity with § 54.411. Such records shall be kept in the form directed by the Administrator and provided to the Administrator at intervals as directed by the Administrator or as provided in this subpart. The forgone revenues for which the eligible telecommunications carrier may receive reimbursement shall include only the difference between the carrier's customary connection or interest charges and the charges actually assessed to the participating low-income consumer.

§ 54.415 Consumer qualification for Link Up.

(a) In a state that mandates state Lifeline support, the consumer qualification criteria for Link Up shall be the same as the criteria that the state established for Lifeline qualification in accord with § 54.409(a).

(b) In a state that does not mandate state Lifeline support, the consumer qualification criteria for Link Up shall be the criteria set forth in § 54.409(b).

(c) Notwithstanding paragraphs (a) and (b) of this section, an eligible resident of Tribal lands, as defined in § 54.400(e), shall qualify to receive Link Up support.

§ 54.500 Terms and definitions.

(a) *Billed entity*. A “billed entity” is the entity that remits payment to service providers for services rendered to eligible schools and libraries.

(b) *Elementary school*. An “elementary school” is a non-profit institutional day or residential school that provides elementary education, as determined under state law.

(c) *Library*. A “library” includes:

(1) A public library;

(2) A public elementary school or secondary school library;

(3) An academic library;

(4) A research library, which for the purpose of this section means a library that:

(i) Makes publicly available library services and materials suitable for scholarly research and not otherwise available to the public; and

(ii) Is not an integral part of an institution of higher education; and

(5) A private library, but only if the state in which such private library is located determines that the library should be considered a library for the purposes of this definition.

(d) *Library consortium*. A “library consortium” is any local, statewide, regional, or interstate cooperative association of libraries that provides for the systematic and effective coordination of the resources of schools, public, academic, and special libraries and information centers, for improving services to the clientele of such libraries. For the purposes of these rules, references to library will also refer to library consortium.

(e) *Lowest corresponding price*. “Lowest corresponding price” is the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular school, library, or library consortium for similar services.

(f) *Master contract*. A “master contract” is a contract negotiated with a service provider by a third party, the terms and conditions of which are then made available to an eligible school, library, rural health care provider, or consortium that purchases directly from the service provider.

(g) *Minor contract modification*. A “minor contract modification” is a change to a universal service contract
